

It's time to get 'er done!

Sign up today for

Statistics Boot Camp

This will be a 3.5 hour intense “boot camp” to help you get ready for your Statistics Class! Learn an overview of Statistics, why it is important, how it applies to your future career and strategies for successful completion of the class*!

Tuesday, September 20

6:00 pm-9:30 pm

North Seattle College
Room ED (Education Building) 1841A
Instructor: Jin Chen

This class is just for you if...

- You plan to retake Statistics
- You took Math 98 Summer 2016
- You are registered (or will be registered) for Math 146 Fall 2016 at any college

*Bring your calculator!

FREE FOR ALL TRAINING FUND ELIGIBLE STUDENTS!
