GET HELP PREPARING FOR YOUR TEAS TEST IN 2018

If you need to take the TEAS test to apply to nursing school be sure to attend a Training Fund TEAS test workshop either in-person or by video conference. Attendees have raised their TEAS scores by more than 20 points by participating in our review workshop. Non-member cost is \$150.

HOW IT WORKS

Attend a 5-hour in-person TEAS test review workshop and receive a comprehensive ATI TEAS Study Manual as well as an online access code to the ATI website to complete a TEAS practice test (online practice test can be taken twice). Our workshop is updated to prepare you for the current TEAS test (including use of an online calculator.)

“The workshop content was very helpful and I enjoyed going over the practice problems with the whole group. It was extremely helpful to learn what to pay attention to when taking the test. Now I feel better prepared!”
