NEW YEAR... NEW YOU... NEW RESUME | **HOW TO GET STARTED**

Writing or updating a resume is a “must” for pursuing a new job or applying to an education program. A clean, polished resume will help you stand out from the pile of other resumes and land you an interview! The SEIU Healthcare 1199NW Multi-Employer Training and Education Fund can help you get started on creating a dynamic resume to get that invitation to interview.

3 THINGS YOU WILL GAIN

- ① Clear advice on what resume format healthcare employers prefer
- ② Recommendations on how to professionally frame your accomplishments
- ③ Connections to resources; including the Training Fund’s Employment Services

REGISTER NOW

If you have recently graduated from a program, are planning to graduate soon, or are just job hunting at a Training Fund employer partner, you are highly encouraged to register now for the workshop. The workshop is free and only open to Training Fund eligible members. Sign up online at :
