

Susan Peterson, RN,
MultiCare Valley Hospital

New to nursing?

Would you like to have an experienced nurse mentor?

Join the Training Fund's RN Mentoring Partnership!

MultiCare Valley Hospital, Swedish Medical Center, Swedish Edmonds, UW Valley Medical Center, SEIU Healthcare 1199NW and the **SEIU Healthcare 1199NW Multi-Employer Training Fund** have partnered to offer a special RN Mentoring program to help promote professional development and teamwork in order to retain high-quality nurses in our hospitals.

The Training Fund's RN Mentoring Partnership gives new and seasoned nurses the opportunity to partner with veteran nurses who are eager to help mentees grow in their profession while working on mentors' own skills in leadership, communication, and coaching.

Get more out of your nursing profession!

"I'm using my 20 years of nursing experience to show my mentee the ropes, let him know what to expect, and give him the direction and tools he needs. The RN mentorship program is about giving back to the next generation so we can ensure patients will have the very best nurses by their bedside."

- Diana Christopherson, RN, Surgical Oncology, Swedish Edmonds

Benefits of Having a Mentor:

- Receive guidance, encouragement and support of a trusted and experienced nurse mentor who can provide you with a broad range of personal and professional benefits
- Help you increase your professional networks
- Learn proven examples and perspectives from a seasoned colleague in the nursing profession at your employer

About the Program:

- Mentees are required to participate in a 2-hour orientation (Date TBD)
- Mentees and mentors will communicate using an online platform designed for this program
- Mentee/Mentor relationship will occur between September 2019 - February 2020

Find out more & join at bit.ly/RNMentoring

Timeframe: September 2019 - February 2020
