Surviving Sepsis: Every Second Counts

Presented by Nicole Kupchik, MN, RN, CCRN-K, PCCN-CMC & Critical Care Clinical Nurse Specialist

This important training opportunity is a joint partnership between MultiCare Valley Hospital, SEIU Healthcare 1199NW, and the Training Fund.

WHO: Registered Nurses and Allied Health Care Providers with an interest in gaining knowledge in sepsis management.

WHERE: The Davis Room
MultiCare Valley Hospital
12606 E. Mission Ave., Spokane, WA

WHEN: August 28, 2019
8am to 4:30pm

WHAT: This seminar covers new sepsis guidelines & definitions, sepsis screening & early warning systems, which labs matter, antibiotics 101, which fluids to use, stroke volume optimization, vasopressors, and critical care management & PERLS.

Registration is free for Training Fund-eligible members (with consideration for seniority and staffing on August 28). CEUs will be covered by MultiCare Valley Hospital. This may qualify for one of your two annual education days (per your MultiCare Valley union contract.)

Interested?

Stop by our information session: August 15, 11am-2pm, in the Valley Hospital Education Center lobby.
