*Refer to your plan benefits for specific requirements and speak with a Regional Education Navigator.

The Training Fund is a labor/management partnership funded by collectively-bargained employer contributions.

The Training Fund has one enrollment period for TA each year. October 15 is the deadline for enrollment. Applications are accepted year-round and will be reviewed for eligibility after the closing date of October 15. The enrollment process considers TA requests for individuals starting school in the upcoming calendar year. For example, if you want to be in school sometime in the calendar year of 2025 (January 2025 – December 2025) then you need to apply for TA by October 15, 2024.
