

HEET Support Services for Training Fund members

Let us help you cover these HEET-related education expenses!

Childcare

Includes: time related to HEET coursework: studying, time in class, tutor hours, and/or HEET program clinicals.

Does not include: working hours at current employer.

Save copies of all childcare transactions so that you can provide documentation.

Transportation

Includes: trips for class, tutoring, labs, and/or clinicals.

Does not include: trips to/from current employer and workplace.

Save copies of all receipts.

Technology

Might include: purchase of a new laptop / tablet / Wi-Fi device (specifically for HEET project course use), printer, paper, classroom supplies (not otherwise covered by the Training Fund) and more!

Check with your Navigator before purchasing & save copies of all receipts.

Note: HEET funds are considered taxable income. You will need to submit a W9 to the Training Fund, and if you receive \$600 or more from the Training Fund within in a given year, we will send you a tax form to use when submitting your annual taxes. Please work with a professional tax accountant if you have further questions.
